JOHN CHASE SAFARIS 6 NIGHT - DISCOVER MOREMI & CHOBE

3 Nights

Moremi Game Reserve

3 Nights

Chobe National Park

Day 1

- **Arrive in Maun**
- **Charter flight to Moremi Game Reserve**

Upon arrival at Maun Airport, a representative of your booked charter company will meet you and escort you to your charter plane. Climb aboard and enjoy the 30-minute scenic flight over the bejewelled Okavango Delta, and landing at an airstrip in the game-rich Moremi Game Reserve.

You will be met by your John Chase Safaris guide and driven to camp in a customised game viewer, thus beginning the first leg of your luxury mobile safari.

The vehicle is stocked with refreshments, and it is advised

to have your cameras ready for possible animal sightings en route.

Arrive at your private camp, setup and ready for you to get comfortable and relax. Unfenced and open to the wild, the BOGA sites used are reserved for safari operators, ensuring an exclusive experience. Tents are spacious Meru-style canvas structures with en suite bush bathrooms, bucket showers, and pit latrines.

A campfire is lit and a scrumptious 3-course dinner is prepared over an open fire and served at the table in the dining tent, accompanied by a variety of beverages and good conversation. After dinner, retire to your luxury tent and fall asleep under the African skies.

Day 2

- **Early morning game drive**
- **Afternoon game drive with sundowners**

After a comfortable night under canvas, you will receive a 05h30 wake up call with warm water wash basins outside your tent and the smell of coffee from the dining tent.

Enjoy a light breakfast of freshly baked muffins, cereal, toast, fruit and yoghurt around the laid table and discuss what wild sounds were heard during the night. After breakfast, depart for morning game drive in the spectacular Xirii region of Moremi.

After a 3-4 hour game drive, you will return to camp to freshen up before brunch. Your tents will have been tidied and prepared for your return. Brunch is then served at the dining table with all sorts of refreshments on offer. Afterwards, spend your afternoon relaxing around camp before having a light tea and departing on afternoon game drive at around 16h00.

Return to camp after a fantastic safari and sundowners in a scenic spot in the bush. An inspired 3-course menu is cooked over an open fire and served to you at the dinner table, after which you are welcome to sit around the campfire and relax.

Day 3

- **Early morning game drive**
- **Afternoon game drive with sundowners**

Wake up to your second morning in Moremi after a night in the wild. Another early start to have breakfast before heading out on game drive, today follows a similar pattern to yesterday allowing for 2 game drives, and time for a siesta in between tasty meals. The day ends with conversation around the campfire, bellies full of home-cooked food and another night in your luxury tent to look forward to.

Day 4

- **Charter flight to Kasane**
- **Game drive to camp in Chobe National Park**

After an early breakfast, you will be transferred in the game viewer to the airstrip where you will board your charter flight to the next destination on your safari adventure – Chobe National Park.

A short, scenic flight (joined by your guide) will take you to Kasane Airport, which is minutes away from Chobe's Sedudu Gate. From the airport, a game drive through this world renowned national park will commence, taking 3-4

hours depending on game viewing. You will arrive at a pre-setup camp and met by your new ground crew.

Settle down in a similar Meru-style tent, complete with the extras you will be accustomed to from your stay in Moremi. Should time permit, a beautiful sunset game drive is on order, complete with sundowners at a scenic spot in the bush.

Return to camp after sunset, indulge in your 3-course dinner, followed by campfire chatter, and bed under the stars in this inimitable Botswana destination.

Day 5

- **Early morning game drive**
- **Afternoon game drive with sundowners**

Wake up call at 05h30 with strong coffee and a light breakfast before boarding the Land Cruiser and heading out for your first morning game drive in this famous safari destination.

Much the same as in Moremi, the next couple of days will revolve around exciting and unpredictable game viewing

along the Chobe River and surrounding areas, afternoon snoozes, and some good eating at the luxuriously equipped campsite.

Our unfenced camps are located at the private BOGA or Hatab sites reserved for safari operators only, so the accommodation is exclusive and spacious, but animals are free to roam where they please. Enjoy the wilderness, and if you're lucky you'll be entertained by wandering elephant, impala, kudu, buffalo, and particularly hyena at night!

Day 6

- **Early morning game drive**
- **Afternoon game drive with sundowners**

Your last day out in the magnificence of the Botswana bush begins. Early breakfast is followed by game drive as usual, and lunch and siesta will follow. After tea, you will depart the camp for your final game drive ending with a spectacular sunset over the Chobe River.

Arrive back to a fire-lit camp and a table set for dinner under the stars. The evening routine commences with drinks around the fire, and an exchange of happy safari memories before turning in for the last night in the wild.

Day 7

- **Transfer to Kasane Airport**
- **Connect with onward international flight**

An early start to the day begins with coffee and breakfast at camp before you are transferred through Chobe National Park to Kasane Airport, and bid farewell to your John Chase Safaris team. From here, you will connect with your onward international flight.
