KLASERIE RIVER SAFARI LODGE

3 NIGHT PACKAGE

This 3 night package includes big game viewing activities in various sought after safari destinations, including Klaserie River Safari Lodge's private property, the Kruger National Park, and the exclusive Kapama Game Reserve. Game drives in each of these areas provide the opportunity to encounter the Big 5, as well as a host of wildlife species iconic to Africa.

- 3 x Nights accommodation in river-facing chalet
- 1 x Game viewing activity on KRSL property
- 1 x Full day trip to the Kruger National Park
- 1 x Afternoon game drive at Kapama Game reserve
- 1 x Bush walk

Game viewing activity on KRSL:

Klaserie River Safari Lodge is located on a private property neighbouring the Thornybush Game Reserve in the Greater Kruger Area. Morning or afternoon activities on the property include sunset game drives with sundowners and guided bush walks in the area surrounding the lodge. This is an opportunity to enjoy the smaller details of the bush, and to learn about tracks and signs of Africa!

Kruger National Park full day trip:

Full day trip to the Kruger includes a packed breakfast, which guests will enjoy at a rest area in the national park. Guests will depart Klaserie River Safari Lodge in the transfer vehicle before breakfast and head to the Kruger's Orpen Gate, which is a 45-minute drive away. Enjoy the phenomenal game viewing in South Africa's most famous wildlife reserve, indulge in some curio shopping and enjoy lunch and refreshments (at own expense) at a rest area before returning to the lodge.

Game drive at Kapama Game Reserve:

Kapama Game Reserve is a private Big 5 safari property with some exclusive game viewing opportunities on its grounds. Klaserie River Safari Lodge arranges afternoon game drives at Kapama where guests will then enjoy a 3-safari experience, including refreshment stops and some incredible up-close game encounters.

Bush walk

Bush Walks take place on location in Klaserie River Safari Lodge's private game reserve, populated by a variety of wildlife species. Guests will depart the lodge on foot, led by a professional field guide armed with information about the smaller details of the bush, such as tracks, signs, trees, and insects. Bush walks allow guests an intimate look at the wild world in which Kruger's wildlife thrives. Learn about different snakes, birds' nests, the medicinal uses of trees, and enjoy the thrill of viewing animals on foot.
