SUNDESTINATIONS™

The only way to access Mapula Lodge is via light air transfer from either of Maun or Kasane to the camp.

Accessing Mapula Lodge is easy and includes a scenic flight over the Okavango Delta or Chobe National Park. Guests visiting Botswana will fly into the country at either of Maun or Kasane airports, where they will connect with a light air transfer to Mapula. Xarakai (pronounced Kari-ki) is the local airstrip used for guests visiting Mapula Lodge.

Upon arrival at the airstrip, guests will be introduced to a representative from Mapula Lodge who will then drive and/or boat transfer them the last leg of the journey to the Lodge. This transfer is a short 20 to 30 minutes from the airstrip to the camp.
