Throughout the four nights, guests will be accommodated at Baluleni Safari Lodge, which occupies its own plot on the banks of the Olifants River.

1 x Full day trip to the Kruger National Park

1 x Panorama Route Tour

Open vehicle safaris inside the greater Kruger National Park on the Balule Nature Reserve:

Safaris depart from the lodge either in the early morning or late afternoon during the cooler hours of the day. Guests enjoy a 3 hour drive in an open safari vehicle with drinks (at extra cost) and snacks for sundowners, or an early morning coffee stop with homemade rusks. The Balule Nature reserve shares unfenced borders with the Kruger National Park, inviting free movement of all wildlife through the reserve.

Kruger National Park full day trip:

Guests will leave very early in a safari vehicle with a qualified guide, on a full day trip to the Kruger, to reach the gate of the Kruger Park at opening time. All entrance fees, packed breakfast, packed lunch, tea, coffee, water and juice are included. Breakfast and lunch will be served at a picnic spot or other rest area in the Kruger. Enjoy nature, wildlife and birds in the national park. Our guide will return with the guests before closing of the gates of the Kruger and guests will have time to refresh before joining together in the boma for a 3 course dinner around the fire under the stars.

Panorama Route tour:

The Panorama Route is one of the Lowveld's most famous attractions and is located within driving distance of Baluleni. The Drakensberg Mountains set the scene and the tour takes guests on a leisurely drive to various scenic stopping points along the route, which include the Blyde River Canyon, God's Window, Three Rondavels, Bourke's Luck Potholes, a variety of waterfalls and valley views. The local town of Graskop has a number of restaurants and curio shops to indulge in.
