INTRODUCTION

Xobega Island Camp is a piece of paradise in the great water wonderland that is the Okavango Delta. Just off the mainland of Moremi Game Reserve, Xobega (or Gcobega) Island is ideally located and easily accessible for self-drivers (4 x 4 only), and what it offers can't be beaten. A bird-lover's paradise, and an adventurer's dream, Xobega has 10 light Meru-style canvas tents equipped with twin stretcher beds and en suite, open-air bathrooms. Everything about this camp is eco-friendly, from the solar-power, to bucket showers, and chemical toilets.

Guests arrive at the tree-filled island via boat and are welcomed to this simple safari. Hippos rule the waters around the island, lions are heard across the water, and a Pel's fishing owl takes up residence in the trees.

LOCATION

Xobega (Gcobega) Island Camp is located on a small island in the Okavango Delta and the camp is accessed by boat from Xakanaxa Boat station in the Moremi Game Reserve. The Okavango Delta offers spectacular sightings of big game, magnificent birdlife and extraordinary natural beauty. This location is easily reached by self-drivers (4 x 4 only) travelling through the Moremi Game Reserve, and to Xakanaxa Boat station, where they will be picked up and transferred to Xobega.

HOW TO GET THERE

Xobega Island is accessed via 1.5 hour boat ride from Xakanaxa Boat station in the Moremi Game Reserve, easily accessible to self-driving (4 x 4 only) guests.

From Moremi South Gate, follow the sign post straight to Xakanaxa through the Mopane forest (42km). Drive straight at the junction after the Wildlife office (sign posted) to Xakanaxa boat station.

CHILD POLICY

Regrettably, no children under 12 years old can be accommodated at Xobega Island Camp.

GENERAL TRAVEL INFORMATION

Weather

The climate in Botswana brings very hot, dry periods (September, October), and also very wet seasons (December-February). Winter (June, July, August) packs cold nights and mild, dry days, while November to February is hot and wet.

Temperatures in summer soar as high as 40°C bringing warm nights and humidity levels fluctuating between 50% and 80%. The average annual rainfall is 450mm and most of it falls between December and March in the form of heavy afternoon thunderstorms.

In contrast, the winter nights can drop to barely above freezing in the Delta and the desert, although daytime temperatures at this time of year are mild to warm.

Wildlife

Botswana is a wildlife paradise, with elephants roaming in high numbers, hippos occupying every waterway, buffalo gathering en masse to drink from the waterholes, zebra migrations, red lechwe bounding through rivers, giraffe touching the tree tops, and warthogs shovelling the earth.

Moremi is a known wildlife hotspot, and is a protected area of the Okavango Delta. Lion, leopard, cheetah, wild dog, and spotted and brown hyena, are some of the top predator species that are frequently seen.

The birdlife in Botswana is no exception to the fantastic collection of wild creatures that call this country home. The many waterways of the Okavango Delta and Moremi create a habitat for many water birds, while raptors soar overhead, and melodious larks disguise themselves in the scrub.

Malaria

Before travelling, guests are encouraged to consult their local doctors on anti-malarial medication and preparation, however a repellent stick or spray is effective and should be utilised.

WHAT TO PACK

The climate in Botswana brings very hot, dry periods and also very wet seasons. Winter (June, July, August) packs cold nights and mild, dry days. Depending on what time of year you travel, you will need certain essentials.

- Throughout the year, we recommend packing lightweight, neutral-coloured clothing with short sleeves
- Bring sun protection in the form of sunblock, sun hats, and glasses.
- Scarfs, jackets and gloves are needed for early mornings on the boat, especially in winter.
- Comfortable walking shoes are essential, as is sun protection in the form of hats, sunglasses and sun block.
- Bring along cameras, binoculars and recording gadgets to keep a record of the many wildlife sightings.
